Hello Key Cub!

I'm so excited to serve on the 2020-2021 board of officers at Paschal High School! Please allow me to share a little bit about myself. I have really enjoyed being a part of Key Club over the past couple of years and I'm so thankful for the opportunities it has given me. Key Club is a great way to make a difference in the community around me. I'm a junior and participate in cheer and track at Paschal. Go Panthers! Along with Key Club, I am very involved in Student Council and love being a leader for my peers. Please feel free to reach out if you have any questions or ideas on to make Key Club even more impactful than it is now! Even though 2020 has thrown some curveballs at us, I am confident that we can work together to make this an amazing and memorable year!

Kicking Off The Year! | First Meeting

by: **Caroline Rooney**

We had our first general Key Club meeting over Google Meet in September. We had over 50 student attendees from all four grade levels that are eager to serve in Key Club this year. Our club president, Peter Kim, did a wonderful job leading the meeting. One topic of conversation was finding virtual volunteering opportunities. Due to Covid-19, we are not able to hold many of our known and loved service projects. However, our club has come up with some great ideas on how we can still make a difference in the community. We are also excited to receive applications and initiate new officers, including a parliamentarian, treasurer, webmaster, and grade representatives in October.

Children of the Future

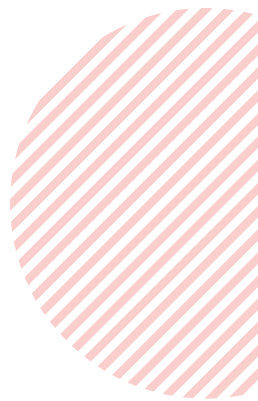

by: **Caroline Rooney**

This year, our district Key Club project focuses on **Children of the Future**. This organization makes a wonderful effort in supporting children who may not have their own strong support system. Many of these kids are either homeless or in the foster care system. Paschal Key Club has identified three ways in which we are eager to serve these children. We are looking to hold a drive for **Books for Africa**. Here, we would gather books to be sent to children in Africa through the organization. Key Clubbers are also looking into holding another drive in which we collect supplies to be donated to Children of the Future centers. These supplies could range from toiletries and snacks anywhere to toys and games. Along with this, we would love to help by making care packages for children in our community. These would include essential items as well as things like small toys or books.
